Everywhere I look I see the scrolling screens
Chasing likes instead of living the dream
But love is louder than the numbers we chase
Kindness and respect will light up this place!

If we put the same energy into love
The world turns magic, shining from above
No more cyber bullying, let's break that chain
Celebrate respect, let kindness reign!

Celebrate, celebrate, feel the joy inside
Lift each other up, let your spirit shine
Celebrate, celebrate, dance away the hate
Respect is the magic, let's all celebrate!

Social networks bring us closer than before
Open up the world, open every door
Not about the filters, not about the fame
It's the heart and the soul that carry your name

If we put the same energy into love
The world turns magic, shining from above
No more cyber bullying, let's break that chain
Celebrate respect, let kindness reign!

Celebrate, celebrate, feel the joy inside
Lift each other up, let your spirit shine
Celebrate, celebrate, dance away the hate
Respect is the magic, let's all celebrate!

Creativity and honesty, yeah, that's our legacy
Different but united, that's how we make history!
Clap your hands, move your feet
Let's turn respect into a beat!

Celebrate, celebrate, feel the joy inside
Lift each other up, let your spirit shine
Celebrate, celebrate, dance away the hate
Respect is the magic, let's all celebrate!
Celebrate... ohhh, celebrate!
ohhh, CELEBRATE!
