Eighteen years, these halls are cold
Silent neighbors, hearts of stone
Plastic smiles and whispered lies
A graveyard staring through my eyes

They cut the water, stop the spin
Play their games, but I won't give in
I'm the fire they fear the most
Living in a house of ghosts

This is the house of ghoooosts!
Where the walls are hollow and the truth corrodes
But we're the only living soooouls!
Still burning, still fighting, we won't fall
In this house of ghosts - ohhh!
We're alive, we're alive, we're alive!

Neighbors fade like smoke in the rain
Eighteen years of quiet pain
Friendly masks with daggers inside
But my spirit's something they can't deny

They turn their backs, they play their roles
Empty shadows, haunted souls
But I won't break, I won't be closed
I'll outlive this house of ghosts

This is the house of ghoooosts!
Where the windows rattle and the truth corrodes
But we're the only living soooouls!
Still burning, still fighting, we won't fall
In this house of ghosts - ohhh!
We're alive, we're alive, we're alive!

One day I'll walk away
Into the light of a brighter day
No more silence, no more chains
No more sabotage, no more games!
no more games!

House of ghooooosts!
Keep your shadows, keep your cold
We're the only living soooooouls!
Still burning, still fighting, taking control.
Out of this house of ghosts - ohhh!
We're alive, we're alive, we're alive!

We're alive...
In this house of ghosts
