Shhh... I said... zip it
Yeah - you heard me. Zip it

Long voice messages, long phone calls
spoken but empty words, no meaning at all
Seen it all, can't cope anymore,
I've had enough - my ears are sore

Politicians lie and lie - without commas
they talk nonstop, no drama pause
Their needling nonsense makes me dizzy
head spinning - I'm feeling queasy

Please zip it, please zip it
why don't you just zip it?
Zip it, zip it, zip it
before my brain quits it! (Yeah, just zip it!)

Selfish people with their dramas
holding long phone speeches - no commas!
I learned young, if you can't say something nice
say nothing at all - zip it twice!

Talk less, think more, give peace a try
the world's too loud - we're running dry
Silence is golden, so let's admit it
the planet would heal if we'd just zip it!

Please zip it, please zip it
why don't you just zip it?
Zip it, zip it, zip it
the world needs a minute - admit it! (bla bla bla…)

God gave us two ears and one mouth - why?
'Cause wisdom listens while ego amplifies
Even heaven's tired of your endless chatter
so keep your bla bla bla for someone it flatters

Hold your noise, your blahs, your endless attacks
my peace is precious - I'm not giving it back!

Please zip it, please zip it
why don't you just zip it?
Zip it, zip it, zip it
oh please, just zip it!

Zip it, zip it, zip it
for the love of God, for peace, for quiet! Please zip it!
