Headlines, headlines everywhere
Local, national, international, 24/7 around the year
I really can't take it no more
Stop messing with my mind
Stop wasting my precious time

World leaders enjoy playing nasty games
Making up stories, hiding reality and exaggerating
Parrots and Pinocchio's join them and entertaining
Toy with humans like puppets with no shame
Brainwash and manipulate

The bowling is rolling & rolling
Destroying & destroying, Generation after generation
The pins keep falling and fading in flames
But Karma will hit them back unexpectedly
Catch evil like a boomerang intensely

Mighty hungry fortune hunters
Breaking News: Surprise, surprise, No one lives forever
No money in this world is gone last forever
You're born with no moral values in your bones
No flame in the world will unfreeze your heart that is made of stone

Filling your bank accounts with filthy money
only creates misery for your soul destiny
The aftermath: Black Karma will hunt you for eternity
Not only you but your legacy for decades over centuries
Not only you but your legacy for decades over centuries
Centuries, centuries

The bowling is rolling & rolling
Destroying & destroying, Generation after generation
The pins keep falling and fading in flames
But Karma will hit them back unexpectedly

Catch evil like a boomerang intensely

Grandpa use to say: Sooner than later evil can't escape
Fame and fortune hunters don't realize
That they won't go too far with their lies
Laundry money disappears as quickly as it appears
Like germs and dripping blood on guilty hands

Live your life with good thoughts, words and deeds
Respect the wisdom of history
Leave a legacy of humanity
For yourself and your entire family
Anything else is a foolish game
with nothing but losers at the end

The bowling is rolling & rolling
Destroying & destroying, Generation after generation
The pins keep falling and fading in flames
But Karma will hit them back unexpectedly
Catch evil like a boomerang intensely

Parrots and Pinocchio's, surprise, surprise
We're no longer blindsided by your nasty games
Stop destabilizing our world with negativity
Enough blood has been shed
Humanity will roll down the long and narrow lane
Score, strike and knock down and win the game!
Yeah, that's right, knock down and win this game!
