Fallen Angels everywhere, create damage from far away
Spread black magic and sorrow everywhere
Secret Devils you better stay away

Can't forget my darkest days, oh yeah
Was broken and defeated for decades
Didn't recognize the enemies close to me
Blindsided by the moonlight

I'm not gone sell myself short
No devil will stop me from achieving my goals
I demand the respect I deserve, stand up and break the spell
Send the secret evils back to hell

No longer do I tolerate negative energy and vibes
Had to fight too many fallen angels in the present and the past
Overcome personal and professional setbacks
Now it's time to say: screw you, farewell, Goodbye

Don't trust the fallen angels, take control
Take control, protect your mind and soul

I'm not gone sell myself short, I'm not gone
No devil will stop me, yeah, yeah
from achieving my goals, oh oh
I demand the respect I deserve, the respect I deserve
Stand up and break the spell, oh oh
Send the secret evils back to hell, yeah, yeah

I'm not gone sell myself short, I'm not gone do it
No devil will stop me from achieving my goals, achieving my goals
I demand the respect I deserve, yeah, yeah
Stand up and break the spell, yeah, yeah
Send the secret evils back to hell

Fallen angels thrive my fears
BUT protection is my WILL
I let the Universe just unfold my life and direct my actions
Set my intention self-protection in motion
I open my wings to receive God's love and light
He will heal, protect and help me survive, yeah, yeah

I'm not gone sell myself short, uhhh, uhhh
No devil will stop me from achieving my goals, uhhh, uhhh
I demand the respect I deserve, yeahhhh
Stand up and break the spell
Send the secret evils back to hell, yeah

I protect my white soul, wash away my fears
Surround myself with crystals, dry my tears
I take control of my destiny and fight the enemies
Secret Devils I break the spell
Take your one-way ticket back to hell

SONG METADATA

Title: Fallen Angels

Lyrics: Lily Amis

feat. Artist: Thir13een

Language(s): English

Genre: Pop

Tempo (BPM): 120

Instruments: Piano, Bass, Drums, Guitar, Strings
