I woke up with a heavy heart
Uh, had an incredible dream
You will never guess who I met
There he was the mighty God
welcoming me on judgment day
wondering about humanity in today's society
Yeah, yeah, yeah, yeah

I was honest and said
God, I look back at history
see the legacy of inhumanity over centuries
I wonder how are we ever gone recover
from so much suffering and pain
It's truly a human shame

Whatever happened to society?
When did we lose our morality?
Inhumanity has now become normality?
Does anyone taking responsibility?

Whatever happened to society?
When did we lose our morality?
Inhumanity has now become normality?
Does anyone taking responsibility?

Humans don't speak the language
of compassion and kindness anymore
Honesty and integrity mean nothing like they did before
Dysfunctional relationships with no love and loyalty
How can I ever fix inhumanity
with no morality in our society?

I'm sick and tired, God I need a vacation
Wherever I go, I see the same awful situation

Humans don't care about humanity anymore
The legacy of inhumanity shouldn't be ignored

Whatever happened to society?
When did we lose our morality?
Inhumanity has now become normality?
Does anyone taking responsibility?

Whatever happened to society?
When did we lose our morality?
Inhumanity has now become normality?
Does anyone taking responsibility?

God answered
Son, if you don't wane leave a legacy of inhumanity
use the colors of creativity
take the liberty to change unlawful morality
stop complaining and blaming
make space for positivity
YOU can change the reality
erase your negativity and celebrate humanity

I was honest and said
How can ONE person alone
change this tasteless reality? This awful society?
Then God laughed and said, Son, I gave you life
I gave you a gift, the gift to be a voice
THE voice for the voiceless
Now trust my decision, cause I have a vision
Now go on and start your mission!
GO!

SONG METADATA

Title: My Mission

Lyrics: Lily Amis

feat. Artist: Thir13een
