See and smile, See and smile
Celebrate life, see the colors of light through your eyesight
Smile and sing Hallelujah, Alhamdulillah
Hallelujah, Alhamdulillah

Had an empowering conversation last night
A boy asked me, how rich am I
I answered wealthy rich
He asked me further, how happy am I
I'm the happiest man in the world, I replied

When I wake up having a bad day
Wishing I could stay in bed all day
I remind myself, there is no reason to be lazy, lazy
I'm grateful to be alive; I count the blessings in my life
Always a reason to smile
To see the world through different eyes

Let's celebrate every day like New Year's Day
Watch the sunlight shine bright through your eyesight
Enjoy the colours of life through your vision
See, smile and sing Hallelujah, Alhamdulillah
Yeah, yeah Hallelujah, Alhamdulillah
Hallelujah, Alhamdulillah
Oh oh oh, Hallelujah, Alhamdulillah, yeah, yeah

I see the world through those who don't have a vision
Desperately wish they could see the colors of seasons
Isolated ones that is challenged by blindness
Trapped in the darkness
Dreaming of seeing colours in sharpness

I smile to the world for those who can't smile
wishing they could eat and breathe
The lonely ones trapped in mental isolation

dreaming of a happy life without limitation

Let's celebrate every day like New Year's Day
Watch the sunlight shine bright through your eyesight
Enjoy the colours of life through your vision
See, smile and sing Hallelujah, Alhamdulillah
Yeah, yeah Hallelujah, Alhamdulillah
Hallelujah, Alhamdulillah
Oh oh oh, Hallelujah, Alhamdulillah, yeah, yeah

Millions have only limited eyesight
Too many children can't even smile and enjoy life
I can walk, hear and talk, see, smell, taste and touch
I consider myself a wealthy rich man
I'm one of the blessed ones in this population
I remind myself disable people have only limited orientation
Let's celebrate every day like New Year's Day
Watch the sunlight shine bright through your eyesight
Enjoy the colours of life through your vision
See, smile and sing Hallelujah, Alhamdulillah
Yeah, yeah Hallelujah, Alhamdulillah
Hallelujah, Alhamdulillah
Oh oh oh, Hallelujah, Alhamdulillah, yeah, yeah

The little boy in me smiled and said
I understand, no need for more explanation
Today I needed this motivation
I pray and support those who can't see and smile
I smile and sing Hallelujah, Alhamdulillah
