Secret Angels everywhere
Shining pearls from far away

Whenever I feel lonely and lost
Forgotten before I'm even gone
I think about the precious pearl necklace of secret angels
Secret Angels
Helping hands near and far brighten up my day
Like a shining pearl inside a shell from far away

Today is a good day, it's my weekly shopping day
I visit the little shop around the corner
Secret angels welcome me with a friendly smile

You never know, never know who you're dealing with
Anyone might be an angel with hidden wings

You never know, never know who you're dealing with
Anyone might be an angel with hidden wings

Anyone, anyone, anyone could be an angel, Angel
Anyone, anyone, anyone could be an angel
Anyone could be an angel
Anyone, anyone, anyone could be an angel, hey
Anyone, anyone, anyone could be an angel

Secret angels brighten up my day
From call center agent to the dustman
Bus and cab driver to the mailman
Sales assistants to cashiers

Surviving paycheck to paycheck every year
Shift workers restock our shelves
Not only from nine to five
But at impossible times and exhausting hours

You never know, never know who you're dealing with
Anyone might be an angel with hidden wings

You never know, never know who you're dealing with
Anyone might be an angel with hidden wings

Anyone, anyone, anyone could be an angel, Angel
Anyone, anyone, anyone could be an angel
Anyone could be an angel
Anyone, anyone, anyone could be an angel, hey
Anyone, anyone, anyone could be an angel

Secret Angels everywhere
Shining pearls from far away
I see you, I feel you
Hope everyone else appreciates your service too

Make a positive impression whenever, wherever
RESPECT everyone you meet and greet
Remember, you never know who you're dealing with

You never know, you never know
Anyone might be an angel!
