What if life is nothing but a dream...
Brain fog and dust wherever I turn...

Standing in a station, platforms all around,
trains are leaving daily, each a different sound.
We can ride the same rails, never change a thing,
or jump the track and see what new light brings

I'm searching for the light
don't wanna be left behind
Wanna shine so bright
burn like the sunlight

I'm searching for the light
don't wanna be left behind
Wanna shine so bright
burn like the sunlight

It's up to me, it's up to you - no one else
With a change of mind, an open heart
new goals, new roads, a fresh attitude
our energy will rise, our spirit moves

There are no missed trains, no doors that are gone
there's always another that will carry us along

I'm searching for the light
don't wanna be left behind
Wanna shine so bright
burn like the sunlight

It's up to me, it's up to you - no one else
With a change of mind, an open heart
new goals, new roads, a fresh attitude
our energy will rise, our spirit moves

Stop searching for the light
Cause the light you seek is you
your own reflection
