After years of setbacks
I'm finally riding on the train track
the right track, my life track

Was forced to get off that line
again and again, time after time.
Corrupt rules held me back
cruel hearts stopped me in my track

But guess what?
I'm finally where I'm meant to be
my purpose, my passion, my mission, my vision
You can't stop me!

*No one can hold me back anymore
no one - no more, no more, never again!
You can't pull me off the train track
this is my life, my life track*

If I had stayed on the track
followed my instinct, stayed intact
without those broken roads and twisted rails
I wouldn't have lost so many precious years

But better late than never
I finally found my way

Never lost my faith in me
always knew where I was meant to be
It took decades, yes - but faith carried me
it led me back to the train track of destiny

*No one can hold me back anymore
no one - no more, no more, never again!*

*You can't pull me off the train track
this is my life, my life track*

I thank God for every blessing in disguise
for guiding me through all the wrong tracks
You showed me light when paths were black
and now I'm finally on the train track

*No one can hold me back anymore
no one - no more, no more, never again!
You can't pull me off the train track
my faith, my path, my life track*

After years of setbacks
I'm finally riding on the train track
the right track, my life track
