When the night is heavy, when the world can't breathe,
A gentle wind comes, it carries me
Through broken streets where the shadows hide,
Your breeze reminds me I'm still alive.
Nassim... you are the breath of hope,
The wind that lifts when I can't cope
Nassim... you carry me through,
The world still turns because of you.

Ashes may fall, but the seeds still grow,
Even in silence, your whispers show
You're the song of dawn, when the dark is gone,
The quiet strength we're leaning on

Nassim... you are the breath of hope,
The wind that lifts when I can't cope
Nassim... you carry me through,
The world still turns because of you

They tried to break us, tried to steal our song,
But the wind keeps moving, it carries us on
Every tear, every scar, every broken dream,
Is healed by the breath of Nassim

Nassim... you are the breath of hope,
The wind that lifts when I can't cope
Nassim... you carry me through,
The world still turns because of you

When the night is heavy, when the world can't breathe,
I still believe... in Nassim
