I'm vibin' with Armstrong's song,  
"What a wonderful world" - but somethin' feels wrong  
I wasn't there, so how would I know,  
If he got it right, or if pain still grows

Bless his soul, yeah, let Louis rest,  
Now we're stuck with leaders who fake the test.  
Smiles on camera, but their hearts stay cold,  
Out here hope is gettin' sold

Piss2Peace, Piss2Peace, Piss2Peace

I see skies on fire, clouds in flames,  
Ashen trees, red roses in shame  
Rainbows gone, colours all fade,  
Dreams erased by the mess they made  
I whisper to myself, "This storm gon' pass,  
Gold diggers fade, but we'll outlast  
History shows, we crawl, we rise,  
Humanity breaks but never dies

Piss2Peace, Piss2Peace, Piss2Peace  
Why's it always RIP?  
Why not live in peace, like a newborn free?

Leaders chant Piss2Peace (a dirty tease)  
I pray4Peace, forgive our enemies.  
But every promise just fades, just bleeds,  
A world addicted to the same disease

Piss2Peace, Piss2Peace, Piss2Peace  
Why's it always RIP?

Why not live in peace, like a newborn free?

Crying babies in warzones scream,  
Homeless street puppies chasing dreams.  
Both just want a little piece of sky,  
But leaders sell the same old lie

Piss2Peace, Piss2Peace, Piss2Peace

Why can't we love, like the puppies on the street?  
Why can't we rise, get up on our feet?  
Piss2Peace, Piss2Peace,  
Say it loud now, say it with heat.  
Why's it always RIP?  
Why not live in peace, like a newborn free?

I dream of tomorrow, leaders hand in hand  
Sayin', "What a wonderful world we planned."  
It's never too late, don't let love cease,  
So here's my shout: Peace to you too beloved enemies
