Trapped in a circle, caught in the spin
Dreams fade away before they begin
A broken heart under winter's spell
Caught on the ride of this old carousel

Round and round - the same old pain
Longing for freedom, for joy again
But somewhere beyond the snow and time
I hear a whisper - "your light will shine." (shine... shine...)

The carousel keeps turning and turning, time won't wait
But Christmas brings a light of hope so great
A miracle sparkles softly in the falling snow
My heart takes flight – I find my way, I flyyyyy away

Echoes of laughter, ghosts of the past
Shadows that told me love couldn't last
But under the lights, I finally see
The power of faith is setting me free

Every spin a lesson, every tear divine
The music of healing now feels like mine

The carousel keeps turning and turning, time won't wait
But Christmas brings a light of hope so great
A miracle sparkles softly in the falling snow
My heart takes flight – I find my way, I flyyyyy away

The stars above, they guide my way
A thousand angels softly say
"Believe again, your heart can heal"

Love is the truth the world can feel.”

The carousel slows - the ride is done
A circle broken, a new life begun
Freedom and faith now hand in hand
A Christmas miracle - I understand
