Life may not be a fairytale
with a perfect happy end,
but we can still create the magic
by sharing joy with lonely friends

For those who feel lost and unseen,
forgotten by the crazy world outside,
a little care can light their soul,
a sparkle in the dark inside.

**Bring some Christmas sparkle, light and joy,
into the dark corners of the lonely ones' souls.
Gifting time - the best gift of all,
a miracle of love that makes hearts whole.**

No gold or jewels could ever shine
as bright as simple company.
No price can match the gift of time,
shared love's the greatest legacy.

A little hope, a laugh, a smile,
that's the Christmas dream they silently long for.
Moments warm as candlelight
heal the lonely hearts that wait behind closed doors.

**Being generous, thoughtful and kind,
the best gift of all time.
A touch of care and companionship
makes the lonely ones' hearts heal and shine.**

**Bring some Christmas sparkle, light and joy,
into the dark corners of the lonely ones' souls.
Gifting time - the best gift of all,
a miracle of love that makes hearts whole.**

Look around - they're everywhere,
the lonely hearts who need your care.
A knock, a smile, a gentle word,
can change the world - make love be heard.

Make sure your neighbor's not alone,
reach out - no heart should turn to stone.
Forgotten family, friends unseen
be the miracle they've always dreamed.

**Bring some Christmas sparkle, light and joy,
into the dark corners of the lonely ones' souls.
Gifting time - the best gift of all,
make Santa proud - and warm them all.**

Merry Christmas to the lonely ones
